

## Advanced Cellular Silver (ACS) 200®

The Leading Evidence-Based Silver Prescribed Today

The only immune system support formula proven to kill Lyme associated *Borrelia burgdorferi*.

### A Broad-Spectrum Antimicrobial

ACS 200® achieves 99.9999% (complete) kill against *Borrelia burgdorferi*, *Candida albicans* and MRSA as proven via independently derived in vitro, kill-time studies.

### Superior Silver

Powered by the same, patented silver technology as STERIPLEX® Ultra, now EPA-approved to kill anthrax spores.

### Real Results

"I am absolutely thrilled with the results I personally received while using ACS 200®. It relieved my heart valve infection within 2 days when nothing else had."  
—Dr. Loomis

### Safety

ACS 200® has also been proven extremely safe in independent acute oral toxicity studies.

### Independent Studies

View complete studies here

### Practitioner Endorsed

ACS 200® is prescribed by doctors in over 15 countries.

### Advanced Cellular Silver (ACS) 200® - Anti-fungal, Anti-viral and Bactericidal

The leading silver-based supplement in multiple independent studies, ACS 200® rapidly kills an enormous array of pathogenic microorganisms; literally oxidizing the cell wall of Gram-positive and Gram-negative bacteria, as well as killing naked virus, fungi and all without damaging human tissue. When choosing an immune system support formula, safety and efficacy are the only two factors that truly matter. ACS 200® provides fast and significant relief patients can feel, without harming the gut flora.

### Prepare for Success.

Far beyond 'colloidal silvers' in performance, ACS 200® provides 200 parts per million of uniquely energized silver molecules, which are suspended in "wetter water"®, a proprietary micronutrient transport medium that is 43% lower in surface tension, enabling rapid penetration through all biological systems. No single immune support product will provide a more effective treatment or prophylaxis protocol than ACS 200. It is proven to be the most powerful, broad-spectrum antimicrobial available to physicians today.

Offered in 2 oz SuperShot, 2 oz and 4 oz Intra-oral Sprays

### Dosage Guidelines

Maintenance Dose: Take 5 sprays by mouth 2 - 3 times daily.

Higher Dose: Take 10 sprays by mouth 4 times daily.

**ACS 200® is significantly more effective in killing pathogens than competing brands. Compare the following laboratory kill-time studies.**

Kill-time data compiled from individual manufacturer's published research.

B. burgdorferi	Titer	Log Reduction	Kill Time
ACS 200	38,000,000	5.95/99.99989%	< 8 minutes
ASAP silver		No testing available	
Meso Silver		No testing available	

MRSA	Titer	Log Reduction	Kill Time
ACS 200	2,170,000,000	6.64/99.999984%	< 3 minutes
ASAP silver	1,900,000	4.98/99.9989%	60 minutes
Meso Silver	1,200,000	Log not provided claimed kill	5 hours

C. albicans	Titer	Log Reduction	Kill Time
ACS 200	445,000,000	5.95/99.99989%	2 minutes
ASAP silver	1,300,000	4.83/99.9985%	60 minutes
Meso Silver	12,000	Log not provided claimed kill	24 hours

S. aureus	Titer	Log Reduction	Kill Time
ACS 200	234,000,000	> 5.37/99.9996%	15 seconds
ASAP silver	2,300,000	> 5.06/99.99914%	60 minutes
Meso Silver	830,000	Log not provided claimed kill	24 hours
